A screenshot of a college result card. The card has a light purple header with 'Fit Score' and a small information icon. Below the header, the college name 'Asbury University' is listed, followed by its location 'Wilmore, KY, Rural' and type '4 year, Private nonprofit, 0'. There are two interactive buttons: 'PIN TO COMPARE' with a star icon and 'FAVORITED' with a heart icon. To the right of the college information, there is a green circular progress indicator showing '100%' and a 'Why?' button below it. A large black number '5' is overlaid on the bottom left of the card.

Look through your list of results, and click the heart icon to "Favorite" at least 3 colleges. You will then bring that list of colleges to your junior meeting and give it to your counselor!
